

# DS1000 OWNER'S MANUAL

Thank you for purchasing the  
DynaShield® mosquito repellent device!

**DANGER:** READ DIRECTIONS AND PRECAUTIONARY STATEMENTS IN MANUAL BEFORE USE.  
KEEP OUT OF REACH OF CHILDREN.

**WARNING:** This product can expose you to chemicals including lead and lead compounds which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).  
Not for use around food.

This product has not been registered by the United States Environmental Protection Agency. Woodstream Corporation represents that this product qualifies for exemption from registration under the Federal Insecticide Fungicide and Rodenticide Act.

SAFE FOR USE AROUND CHILDREN & PETS WHEN USED AS DIRECTED.

## FCC COMPLIANCE

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. CAUTION: Changes or modifications not approved by the party responsible for compliance could void user's authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

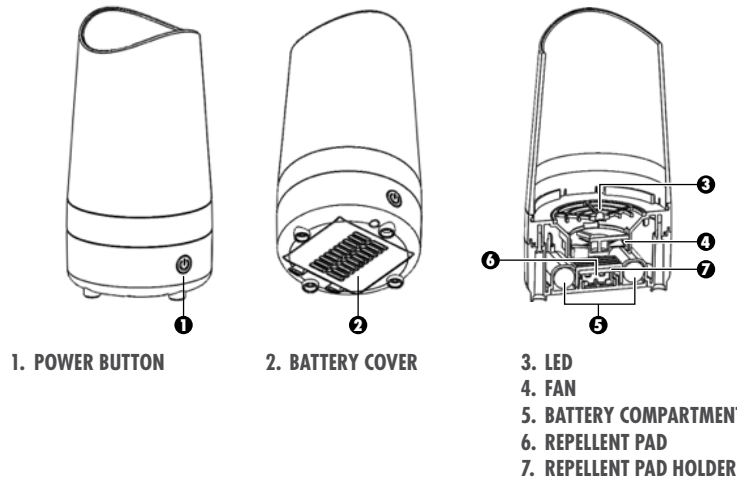

## OPERATING INSTRUCTIONS

1. Turn the unit upside down and remove the battery cover.
2. Install two new AA batteries in the battery compartment in the correct orientation, noting the polarity of the batteries.
3. Open the foil wrapper containing the new repellent pad. Using the wrapper to hold the repellent pad, insert the repellent pad into the repellent holder inside the device.
4. Replace the battery cover.
5. To turn the device on, place the unit upright and press the power button. The LED inside the device will illuminate to indicate that the device is operational.
6. To turn the device off, press the power button. The LED will turn off to indicate that the device is off.

## BATTERY AND REPELLENT PAD REPLACEMENT

1. After 6 hours of operation, the repellent pad should be replaced to ensure optimal device operation.
  - a. Turn the device upside down and remove the battery cover.
  - b. Remove the installed repellent pad and discard.
  - c. Open the foil wrapper containing the new repellent pad. Using the wrapper to hold the repellent pad, insert the repellent pad into the repellent holder inside the device.
  - d. Replace the battery cover.
2. If the LED no longer illuminates when the power button is pressed, the batteries are depleted and need to be replaced.
  - a. Turn the device upside down and remove the battery cover.
  - b. Remove the installed batteries and discard in accordance with local regulations.
  - c. Install two new AA batteries in the battery compartment in the correct orientation, noting the polarity of the batteries.
  - d. Replace the battery cover.

## DEVICE IDENTIFICATION

## HOW THE DYNASHIELD® WORKS

The DynaShield® gently fills the air with a pleasant summer scent from a special blend of essential oils that keeps mosquitoes away for up to 6 hours.

## TROUBLESHOOTING

Problem:	Possible cause:	Correction:
LED does not illuminate and fan does not spin.	1. Installed AA batteries are depleted. 2. AA batteries are installed incorrectly.	1. Install new AA batteries in the device. 2. Ensure AA batteries are installed in the correct orientation, noting the polarity of the batteries.
Fan does not rotate.	Fan blades are obstructed or blocked by debris.	1. Remove batteries from the device. 2. Remove any debris causing the fan blockage with a vacuum or blower.
Repellent pad scent is no longer present.	Installed repellent pad is depleted.	1. Install a new repellent pad in the device every 6 hours for optimal operation.

## DANGER:

Harmful if swallowed. Causes skin irritation. May cause an allergic skin reaction. May cause respiratory irritation. May be fatal if swallowed and enters airways.

## STORAGE & DISPOSAL:

**STORAGE:** Store locked up. Store in a well-ventilated place. Keep container tightly closed. Store only in original container in a dry place inaccessible to children and pets.

**DISPOSAL: If Empty: Non-refillable container.** Do not reuse or refill this container. Dispose of contents/container to an approved waste disposal plant.

**If Partly Filled:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Never place unused product down any indoor or outdoor drain.

## PRECAUTIONARY STATEMENTS:

Wash face, hands and any exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves. Avoid breathing vapors. Contaminated work clothing must not be allowed out of the workplace. Use only outdoors or in a well-ventilated area.

## FIRST AID:

<b>IF IN EYES:</b>	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first five minutes, then continue rinsing eye. If irritation persists, call a physician for treatment advice.
<b>IF ON SKIN OR CLOTHING:</b>	Remove contaminated clothing. Wash area thoroughly with soap and water. If irritation persists, call a physician for treatment advice.
<b>IF INHALED:</b>	Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell.
<b>IF SWALLOWED:</b>	Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. Rinse mouth.

## LIMITED WARRANTY

Woodstream Corporation guarantees to the original purchaser that this product is free from defective materials and workmanship. This warranty is limited to remedy any defective part for a period of one year from date of original date of purchase. Retain your original receipt as proof of purchase. This warranty does not apply to the light bulb, nor to, in our judgment, misuse or abuse. If this unit has been altered, no warranty is in force. This warranty does not apply if this unit is purchased outside the United States, excluding Canada and Mexico. In no case shall Woodstream be liable for any accidental, punitive, consequential, or any other damages of any kind for breach of this or any other warranty, expressed or implied, whatsoever. Some states do not allow limitation on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.
